Dear Captains,  
Dear Crew members,

With deep grieve we are following the present situation in the Ukraine.

We are fully aware that many of you are affected by the crisis and are scared and frightened about your families and friends. At the present moment nobody is really able to predict the impact to our daily life and what will be the outcome of this conflict.

Please be ensured that we are 24/7 hrs available in case of emergencies under following numbers:

E-mail: [mlc@briese.de](mailto:mlc@briese.de)

Phone: +49 491 92520350

You can also reach all of us under our mobile phones and office numbers as before.

We understand how difficult it is for everybody to be on a vessel, without having a chance to support friends and family members. Please assist each other between your colleagues on board regardless their nationality as usual between seafarers.

Needless to mention that our main focus is presently the support of our more than 3000 Ukrainian & Russian seafarers on board the vessel and at home. Further we are observing other issues related herewith:

- Cargo / Vessels loaded for destinations to Ukraine & Russia.
- Possible embargoes for merchant goods.
- Money transfer for wages, etc.
- Options for crew changes.

We thank you for your patience and we will keep you regularly updated.

Best regards

Briese Crew Management
