COVID-19

Dear Seafarers,

In the light of the current situation with the virus COVID-19 we address the following information to all joining crew members.

Your health and health of your colleagues onboard is our highest priority.

In order to avoid the spread of the virus COVID-19 we ask you to follow some rules:

- please avoid visits of local crewing offices unless it is strictly required. All questions to be clarified by phone or email;
- if you had a contact with any person might be infected by COVID-19 or if you visited areas of risk of COVID-19 during your vacation inform your local crewing agency immediately;
- if you have got a symptom of influenza or cold shortly before signing the Seaman's Employment Agreement or joining the vessel inform your local crewing agency immediately and cancel the travelling to the vessel.

The following of the a.m. rules is mandatory for every joining seafarer and won't affect your further employment.

We thank you for your understanding and support in this matter.

With kind regard
